DIFFERENTIATORS

From pre-construction to the close-out stage, we strive for a seamless process with emphasis on teamwork and effective communication.

We consider our clients business partners and thrive on establishing long-lasting working relationships.

We have experience working for school boards, federal agencies, and municipalities.

We offer a one stop shop for select engineering and construction services making us a great asset for building/facility managers.

Our staff includes professional engineers, registered roof consultants, general/roofing contractors and leed accredited professionals.

We have strict safety guidelines and we adhere to them to promote job safety.

We have never been involved in litigation or failed to complete a job.
